

MSTAR ENTERPRISES

PREMIUM STAINLESS STEEL & INDUSTRIAL METAL PRODUCTS

ROUND BARS • CIRCLES & RINGS • FASTENERS
• PIPES & TUBES • PLATES, SHEETS & COILS

Manufacturing and exporting
from Mumbai, India to
industrial buyers worldwide.

COMPANY OVERVIEW

Since 1989

8,000 sq. m. facility

4,000 sq. m. factory and admin building

Mumbai, India

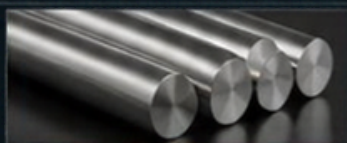

Global export focus

ISO CERTIFICATIONS

Certification details available on request.

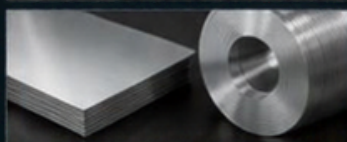

PRODUCT PORTFOLIO

ROUND BARS — engineered stainless steel bar solutions for demanding industrial use.

FASTENERS — nuts, bolts, washers, screws and threaded rods built for durability and corrosion resistance.

PLATES, SHEETS & COILS — stainless steel formats for fabrication and industrial applications.

PIPES & TUBES — seamless and welded options for pressure, temperature and corrosion environments.

CIRCLES & RINGS — precision-engineered components for industrial applications.

STAINLESS STEEL ROUND BARS

- ASTM A276 / A479 / A484
- Diameter: 3–800 mm
- Hot-rolled • Cold-drawn • Forged
- Grades: 304, 316, 321, 410, 420, 17-4 PH, Duplex, Super Duplex, 904L and more

Applications across oil & gas, petrochemical and refinery, power generation, chemical processing, marine, food and beverage, construction, automobile and heavy engineering.

304

316

17-4 PH

904L

FASTENERS

Nuts • Bolts • Washers • Screws • Threaded rods

Durability and corrosion resistance for demanding industrial environments.

PLATES, SHEETS & COILS

Stainless steel formats
for industrial
applications, fabrication
and demanding service
environments.

PIPES & TUBES

Seamless and welded options
for pressure, temperature and
corrosion environments.

Suited to industrial requirements across oil & gas,
petrochemical and refinery, power generation, chemical
processing, marine, desalination and water treatment,
construction, HVAC and refrigeration.

CIRCLES & RINGS

Precision-engineered stainless steel components for demanding industrial applications.

MANUFACTURING & QUALITY

A quality-focused approach to precision engineering for oil & gas, power, automotive and other demanding sectors.

INDUSTRIES SERVED

- Oil & Gas
- Petrochemical & Refinery
- Power Generation
- Chemical Processing
- Marine & Shipbuilding
- Aerospace & Aviation
- Pharmaceutical & Biotechnology
- Food & Beverage
- Desalination & Water Treatment
- Construction
- Automobile & Heavy Engineering
- Pulp & Paper
- Mining & Metallurgy
- Defense & Military
- HVAC & Refrigeration

Global Supply. Industrial Confidence.

50+

countries served

15k+

tons exported annually

2.5k+

satisfied industrial clients

5k+

successful shipments

Ready stock:

SS 304 / 304L / 316 / 316L / 904L
